Press Release:

ND Industries Announces the New *Vibra-TITE* Catalogue

ND Industries®, an internationally known developer and supplier of high quality fastener coating products and services, announces the release of its new *Vibra-TITE*™ User-Applied product catalogue and the expansion of the *Vibra-TITE* product line.

The *Vibra-TITE* catalogue is available upon request and includes information on *Vibra-TITE* products including Threadlockers, Sealants, Super Glues, Epoxies, UV Curable Adhesives, Structural Adhesives and more.

Also included are new introductions such as Threadlocker Gels and convenient Bullet-Tube Dispensers for many of *Vibra-TITE*'s formulas.

Vibra-TITE products are available internationally and are priced at highly competitive rates as compared to other name brand formulas. *Vibra-TITE*'s extensive line of adhesives, sealants and more can be purchased in small quantity bottles, for on-the-job maintenance and repair, or in large, bulk quantities for production application by self-locking fastener converters.

ND Industries provides many top quality fastening and assembly related products and services, specializing in threadlockers, sealants, anaerobics, lubricants, adhesives and more, to a wide variety of industries, including automotive, electronics, aerospace, marine, construction, and appliance.
