Dear Valued Customer,

The Commission Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) imposes specific regulatory requirements on the manufacturer or importer of substances and preparations in the European Union.

Vibra-TITE® (A division of ND Industries, Inc.) has always strived to assist customers fulfill their regulatory obligations. To that end, Vibra-TITE® as a downstream user in the REACH scheme, has taken steps to ensure the flow of information up and down the supply chain, and that chemicals provided by its raw material suppliers will be pre-registered, registered, are exempt from registration, or below threshold quantities.

Vibra-TITE® has completed a thorough inventory of chemicals used in its formulations, and is pleased to inform that all products, provided as either articles or preparations are REACH compliant.

Vibra-TITE® will continue to work with raw material suppliers to ensure continued compliance with the REACH regulation, and the uninterrupted supply of product to the global marketplace.

Should you have questions or require further information regarding REACH compliance of any Vibra-TITE® products; please contact ND Industries, Inc. Environmental, Health and Safety Department by using the email address provided below.

Sincerely,
